## **SEND**

Hillborough Nursery welcomes requests from all eligible children. It is the parent / guardian's responsibility to inform and to keep Hillborough Nursery updated of any special condition or concerns by disclosure when:

- Applying to register on our Nursery waiting list
- Careful consideration will be given to requests for a child that requires one to one or specialist support. We expect parents and guardians to fully cooperate and provide necessary information, including any evidence that may be requested from professionals, to support the initial assessment.

Our SENDCo will conduct an initial assessment by:

- Contacting parents/guardians to obtain a detailed understanding of their child's need;
- Reviewing evidence provided to support the child's needs;
- Consulting with professionals.

If necessary, a supervised pre-visit with parent and SENDCo will be arranged through mutual agreement and form part of the assessment.

## **Oversubscription Criteria**

If our Nursery is not oversubscribed, all eligible applicants registered on our waiting list will be offered a place.

In the case of two or more applications that cannot be separated, the shortest distance

between the Nursery's main entrance and the pupil's home address will be used to decide between them (see note 6). Where the distance between the children's homes and the Nursery is the same (e.g. block of flats), random allocation will be used to decide between them. This process will be independently verified.
